

**ECB brightness and
colour sensors
Application cases**

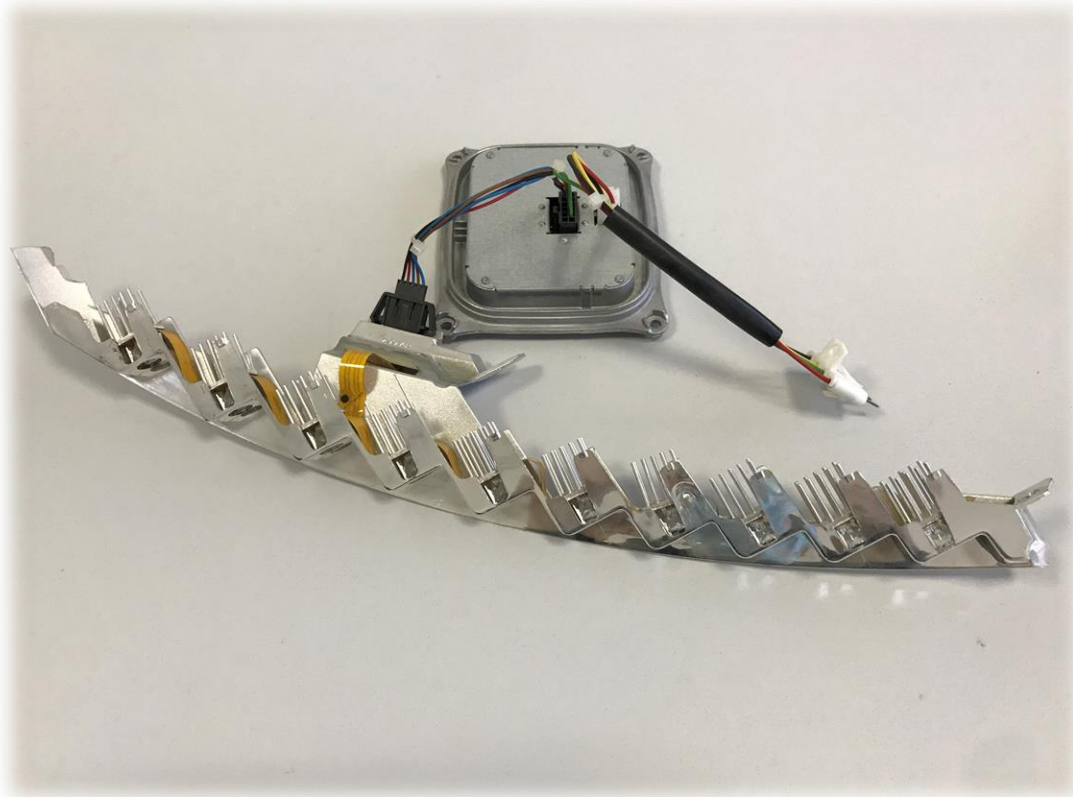

Daytime Running Lights (DRL)

- **Target: brightness and colour check of light emission**
- **End market: AUTOMOTIVE**

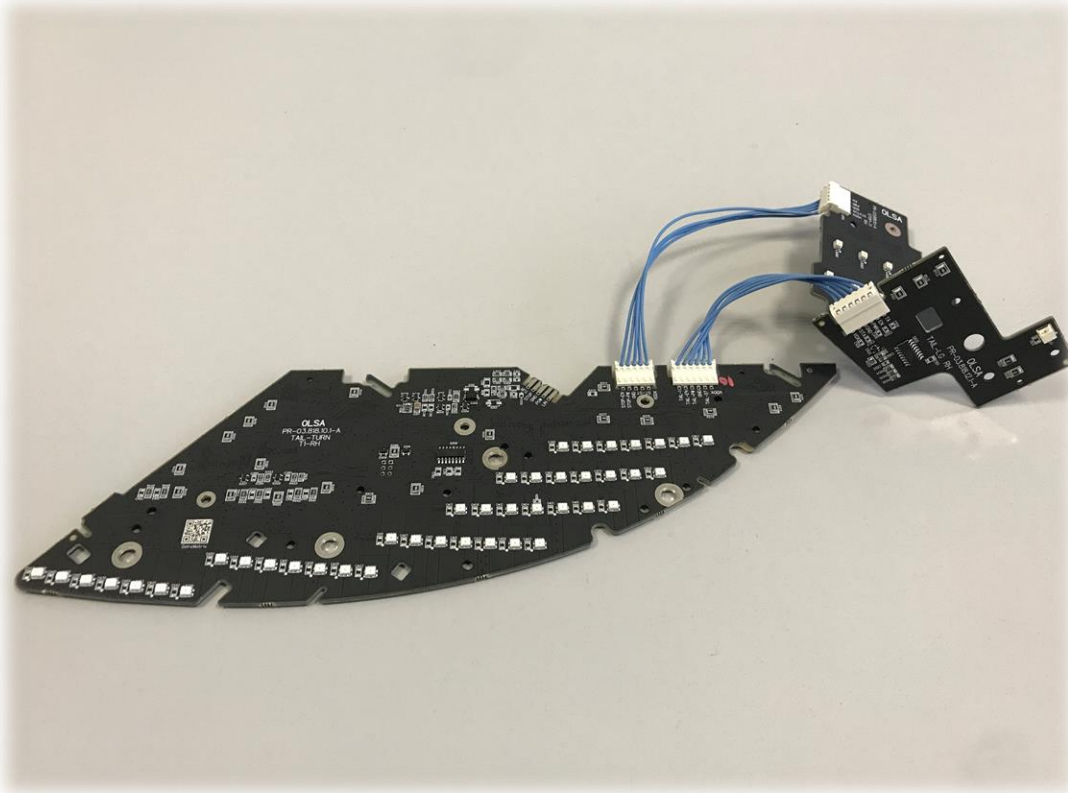

Daytime Running Lights (DRL) flexboard circuits

- **Target: brightness and colour check of light emission of each led**
- **End market: AUTOMOTIVE**

Tail lights LEDs PCBs

- **Target: brightness and colour check of light emission of each led**
- **End market: AUTOMOTIVE**

Tail lights

- **Target: brightness and colour check of light emission**
- **End market: AUTOMOTIVE**

3rd brake lights

- **Target: brightness and colour check of light emission of each led**
- **End market: AUTOMOTIVE**

Turn indicators and side markers

- **Target: brightness and colour check of light emission of each led**
- **End market: AUTOMOTIVE**

License plate lights

- **Target: brightness and colour check of light emission of each led**
- **End market: AUTOMOTIVE**

Interior dome lights

- **Target: brightness and colour check of light emission**
- **End market: AUTOMOTIVE**
